

15th International photo contest «Rotorcraft beauty - 2022»

Competition dates: from **16.02 to 16.04.2022**

Web page of the contest: <https://helicopter.su/fotokonkurs-krasota-vintokrylyh-mashin/>

Rules of the 15th International photo contest «Rotorcraft beauty»

The helicopter-themed 15th International photo contest «Rotorcraft beauty» is organized by Helicopter Industry Association.

The goal of the photo contest - to promote interest to helicopter industry, demonstration of the best works of photographers working in this area, popularization of helicopters in a society, and promotion of helicopter sports in Russia.

Competition is opened and passes in one round, in following nominations:

- Helicopter at work;
- Military helicopter;
- Helicopter at sports;
- Helicopter and the nature.

Separate prizes will be handed over for the best photo of the Kamov and Mil helicopters respectively.

A standalone prize in the nomination will be presented by JSC "UEC-Klimov": "KLIMOV ENGINE IS A HEART". It will be awarded to the author of the best photograph of helicopter engines developed by JSC "UEC-Klimov" (TV3-117, VK-2500, TV7-117V).

The photo contest is free of charge.

Anyone can participate in the contest. For example, photos are sent by:

- Russian and international photographers - professional and amateur alike;
- Magazines and online edition;
- Museums;
- Galleries.

Results of competition will be published on the Helicopter Industry Association website (www.helicopter.su) and on the 15th International helicopter industry exhibition HeliRussia 2022 (www.helirusia.ru).

The awarding ceremony will take place on May 21st, 2022 at 13.00 on the main scene of HeliRussia 2022 hall in the 1st pavilion of the Expo Crocus IEC.

Winners of competition will receive prizes from Helicopter Industry Association, sponsors and partners of competition.

Gallery of the 40 best photos of the contest will be opened in all 3 days of HeliRussia 2022.

The photos to be displayed are selected by the organizers of the competition.

Rules of photo contest:

- Only digital photos are accepted;
- Collages are not a subject to a competitive evaluation;
- Each author can present no more than 5 photos.
